

GNIOT Group of Institutions

Greater Noida Institute of Technology

A Comprehensive College Database & Reference Guide

Greater Noida, Uttar Pradesh, India

Compiled: July 2026

Covers: Institute Overview • Contact Directory • Courses & Fees • Admissions • Campus Infrastructure •
Hostel & Facilities • Rankings • Placements • Scholarships • Constituent Schools • FAQs

This document aggregates publicly available information about GNIOT for quick reference. It is not an official college publication.
Figures such as fees, rankings, and placements change year to year — always verify current details with the institute directly.

1. Institute Overview

Field	Details
Full Name	Greater Noida Institute of Technology (GNIOT)
Established	2001, under Shri Ram Educational Trust, Noida
Type	Private institution
Campus Area	Approx. 17 acres, Knowledge Park & II, Greater Noida
Affiliations	Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow; also linked with Atal Bihari Vajpayee Medical University, Unnao
Approvals / Accreditations	AICTE approved; NAAC A+ accredited; recognised by PCI and Indian Nursing Council (INC) for relevant programs
Streams Offered	Engineering, Management, Computer Applications, Law, Pharmacy, Nursing/Paramedical, Commerce
Vision	To become a renowned institution at a global scale by providing quality education that enhances students' employability
Mission	To transform students into innovative thinkers and professional leaders who contribute to the growth and development of the nation

GNIOT is one of the established private technical and management education groups in the Delhi-NCR region, operating multiple constituent schools under a common group umbrella. It offers programs across the UG, PG, and diploma levels, with engineering and management being its flagship streams.

2. Contact & Location Directory

Department / Purpose	Contact Details
Address	Plot No. 7, Knowledge Park & II, Greater Noida, Uttar Pradesh, India
Reception	+91-120-2320210 / 2320211 / 2320212
Fax	0120-2326653
Toll-Free Helpline	1800-274-6969
General Helpline	8470022022
Admission Enquiry	+91-8860606661 / 8860606662
Registrar Office	+91-8860606639
HR Department	+91-8860606610
Placement Cell	+91-8860606679 / 8860606680
Transport Information	+91-8860606684
Website	www.gniotgroup.edu.in
Fee Payment Portal	Pay Fee Online (link on official website)

How to reach the campus:

- Take the metro to Botanical Garden Metro Station, Noida.
- From the metro station, take a bus or cab to Pari Chowk (approx. 25–30 minutes).
- From Pari Chowk, a shared auto to GNIOT takes approximately 5 minutes.

Note: Phone numbers, emails, and portal links are sourced from public listings on the official GNIOT website and partner directories. Please verify current details on the official site before relying on them for admissions or payments.

3. Constituent Schools & Institutes

School / Institute	Focus Area
Greater Noida Institute of Technology (Engineering Institute)	B.Tech (Lateral Entry), M.Tech across CSE, AI & ML, Data Science, Civil, Mechanical, etc.
GNIOT Institute of Management Studies (GIMS)	MBA / PGDM with specializations in General Management, Business Analytics, Healthcare, etc.
GNIOT Institute of Professional Studies (GIPS)	BBA, BCA, B.Com — autonomous school of professional studies spread across various fields
GNIOT Institute of Medical Sciences and Research (GIMSAR)	D.Pharm and B.Sc. programs in Medicine and Allied Sciences
Law School (affiliated)	B.A. LL.B. and related integrated law programs
Pharmacy / Nursing wing	D.Pharm, B.Pharm, B.Sc. (Nursing)

GIMS has been recognised as the "Best Management Institute in North India for Industry Interface" at the Rashtriya Shiksha Gaurav Puraskar Ceremony (2019), reflecting the group's focus on industry-academia collaboration across its constituent schools.

4. Courses & Approximate Fees (2026)

Program	Level	Duration	Approx. Total Fee (INR)
B.Tech (CSE, AI & ML, Data Science, Civil, Mechanical, etc.)	UG	4 years	~2.3 L — 7.05 L
B.Tech Lateral Entry	UG	3 years	~3.68 L
M.Tech (various specializations)	PG	2 years	~1.35 L — 1.55 L
MBA / PGDM (General, Business Analytics, Healthcare, PG Hospital Mgmt.)	PG	2 years	~1.72 L — 8.55 L
BBA	UG	3 years	~1.2 L — 4.8 L
BBA + MBA (Integrated)	UG+PG	5 years	~3.3 L
BCA	UG	3 years	~3.14 L
MCA	PG	3 years	~91,370/yr (approx.)
B.Com	UG	3 years	Contact institute
B.A. LL.B.	UG (Integrated Law)	5 years	Contact institute
B.Sc. (Nursing)	UG	4 years	~5.16 L
D.Pharm / B.Pharm	UG	2—4 years	Contact institute
Hostel Fees	—	Per year	~0.96 L — 1.98 L

Note: Fees vary by specialization, category, and admission round, and change year to year. Figures above are aggregated from third-party education portals (Shiksha, Careers360, CollegeDunia, Getmyuni) and may not reflect the exact current official fee structure. Confirm exact figures on www.gniotgroup.edu.in/fees.php.

5. Admissions & Eligibility Criteria

Program	Entrance Exam(s) Accepted	Basic Eligibility
B.Tech	JEE Main (UPTAC counselling)	10+2 with PCM, min. 45% aggregate
B.Tech (Lateral Entry)	State lateral entry exam	3-yr Diploma in Engineering, 45% (40% SC/ST)
MBA / PGDM	CAT / MAT / XAT / CMAT / NMAT	Graduation in any discipline
MCA	NIMCET / university test	Graduation with Mathematics
BBA / BCA / B.Com	Merit-based / CUET	10+2 in any stream
B.Sc. Nursing	Merit / NEET (as applicable)	10+2 with Science
B.A. LL.B.	CLAT / merit	10+2 in any stream

Admission Process (typical steps):

- Apply online through the official GNIOT website, or offline by visiting the campus.
- Appear for the relevant national/state entrance exam (JEE Main, CAT, MAT, CLAT, NIMCET, etc.) where applicable.
- Seats are allotted through UPTAC counselling (for AKTU-affiliated programs) or direct merit-based admission for select courses.
- Submit required documents: mark sheets of qualifying exams, transfer/migration certificate, Aadhaar card, category certificate (if applicable), and passport-size photographs.
- Complete fee payment and confirm the offered seat within the stipulated deadline.
- Report to the institute as per the schedule published on the official website.

Note: A 5% relaxation in qualifying marks is generally available for SC/ST category candidates across most UG and PG programs. Cutoffs for JEE Main-based admission vary considerably by branch and category — for example, recent closing ranks for Computer Science and Engineering have ranged widely depending on category and round.

6. Campus Infrastructure & Facilities

Facility	Details
Computer Labs	35+ computer labs with around 1,250 computers, LAN-connected with 24-hour internet; software includes AutoCAD, MS Office, etc.
Lecture Halls / Classrooms	Spacious, well-ventilated rooms equipped with projectors, smart boards, and audio-visual tools for interactive learning.
Auditorium	Large auditorium used for events, seminars, and conferences; separate seminar and conference halls also available.
Medical Centre	24x7 on-campus medical services; partnership with a nearby hospital (~1 km away) for OPD and hospitalization.
Cafeteria	Spacious, modern cafeteria/canteen offering multi-cuisine food, snacks, and beverages; a branded cafe outlet is also available.
Transport	Institute-owned fleet of buses serving Noida, Ghaziabad, and NCR routes; also used for industrial visits, study tours, etc.
Sports Facilities	Badminton court, swimming pool, table tennis, chess, carom, lawn tennis, basketball court, cricket and football grounds.
Wi-Fi Connectivity	Campus-wide Wi-Fi, including hostel blocks.
Departmental Labs	Discipline-specific laboratories with modern instruments and apparatus for practical training (engineering, science, etc.).
Guest House	Accommodation for visiting faculty and family members of students.

7. Hostel & Accommodation

Aspect	Details
Capacity	Separate hostels for boys and girls, each accommodating approximately 750 students
Room Type	Primarily 2-seater (twin-sharing) rooms with attached bathrooms
In-Room Amenities	Bed, study table, chair, mattress, pillows, seasonal bedding, almirah/wardrobe, fan
Common Amenities	Recreation rooms in each wing, 24/7 Wi-Fi, water coolers on every floor, mess/dining facility
Approx. Hostel Fee	~INR 75,000 – 1,98,000 per year (varies by room type/sharing; mess fees generally charged separately)
Security	Round-the-clock security systems, especially highlighted for girls' hostels
Off-Campus Option	PG accommodations available near campus, typically ranging from INR 7,000 – 15,000 per month

Student reviews on the hostel experience are mixed but generally positive: many describe rooms as spacious and well-maintained with responsive housekeeping, while some note that food quality in the mess could be improved. Overall infrastructure and Wi-Fi connectivity are consistently rated well.

8. Library Resources

Aspect	Details
Name	Shree Ram Central Library
Location	Ground floor of the main academic block
Collection Size	Approximately 95,000–1,05,000 books (figures vary slightly by source) across engineering, management, and general studies
Titles	Approx. 8,000–11,000 distinct titles, including Indian and foreign editions
Journals/Periodicals	Subscription to around 179 national and international journals/magazines; newspapers also available
Access System	Open Access system allowing students to browse and select books freely
Digital Resources	Access to AICTE-recommended e-resources
Additional Facility	Book Bank Scheme available for students; departmental/PGDM block libraries supplement the central library collection

9. Rankings & Recognition

Ranking Body	Recognition
India Today 2025	162nd — Top Engineering (Private) Colleges in India
Outlook–ICARE Rankings 2025	97th — Top 200 Private Engineering Institutes
Times B-School Survey 2024	Ranked 64th (MBA)
The Week 2024	Ranked 131st (B.Tech)
Career360	AAA — Best Engineering College category; AA+ — Best B-School category
India Today (MBA, past ranking cited)	242nd out of 275 colleges nationally (specific year varies by source)
Rashtriya Shiksha Gaurav Puraskar (2019)	Best Management Institute in North India for Industry Interface (GIMS)

Note: Rankings are compiled from multiple annual survey cycles reported by third-party portals; year-to-year positions shift and should be checked against the original publishing source for the specific year.

10. Placements & Recruiters

Metric	Figure
Highest International Package	~INR 70 LPA
Highest Domestic Package	~INR 27.61 LPA
B.Tech top-end placement reference	~INR 28 LPA (top-end reported)
PGDM average package (GIMS)	~INR 6 LPA
PGDM placement rate (claimed)	Institute reports 100% placement for core PGDM jobs in some years

Recruiters reported by students and alumni include:

IndiaMart, Anand Rathi, ANZ Finance, Moglix, Oppo, LTIMindtree, and other companies visiting for campus placements.

Note: Placement figures are self-reported/brochure figures aggregated from third-party sources and may vary considerably by batch, branch, and year. Treat headline package figures as best-case outliers rather than averages.

11. Scholarships & Financial Aid

GNIOT offers several scholarship and fee-relief schemes for eligible students:

- **Lt. Shri Krishnan Lal Gupta Scholarship** — a named merit scholarship offered by the institute.
- **Pragati Scholarship** — support for eligible categories of students.
- **Merit-based fee waivers** — SC/ST/OBC students achieving a specified minimum GPA (around 8 GPA) may qualify for full tuition waivers on certain programs.
- **Government scholarship schemes** — AICTE-linked and other state/central government scholarship programs, subject to eligibility.
- **Education loan assistance** — the institute reportedly assists students in accessing education loans, particularly for PGDM/MBA candidates.

Exact eligibility criteria, application windows, and award amounts should be confirmed directly with the institute's admission or accounts office, as these can change each academic year.

12. Student Life & Activities

Beyond academics, GNIOT hosts a range of student clubs, cultural events, and industry-facing programs:

- Student clubs across finance, IT, HR, and other functional interest areas that help build professional skills.
- Regular cultural festivals, annual functions, and fresher's parties held in campus grounds and the auditorium.
- NSS (National Service Scheme) programs, entertainment outings, and study tours using the institute's transport fleet.
- Guest lectures, seminars, and industry interaction sessions, particularly through the placement cell/TPO office.
- Sports tournaments across both indoor games (badminton, table tennis, chess, carom) and outdoor games (cricket, football, basketball, volleyball, lawn tennis).
- An International Conference series (e.g., ICEICM) hosted periodically by the institute.

13. Frequently Asked Questions

Q: Is GNIOT NAAC accredited?

A: Yes, GNIOT holds a NAAC A+ accreditation.

Q: Which university is GNIOT affiliated to?

A: GNIOT is primarily affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow, with select programs also linked to ABVMU and CCSU Meerut.

Q: What is the B.Tech fee at GNIOT?

A: Reported figures vary by source and specialization, ranging from roughly INR 2.3 lakh to 7.05 lakh for the full duration depending on branch, category, and the specific figures being cited by different portals. Confirm exact figures with the institute.

Q: Does GNIOT provide hostel facilities?

A: Yes, separate hostels for boys and girls are available, each with a capacity of approximately 750 students, offering twin-sharing rooms with attached bathrooms.

Q: What entrance exams are accepted for B.Tech admission?

A: JEE Main scores are used, with seat allotment through UPTAC counselling.

Q: What is the placement record like?

A: The institute reports strong placement outcomes in its brochures, including high international and domestic package figures, though actual averages vary by branch and batch.

Q: Are scholarships available?

A: Yes, including named merit scholarships, government schemes, and GPA-based tuition waivers for eligible SC/ST/OBC students.

Q: How is the campus infrastructure rated by students?

A: Generally rated positively for classrooms, labs, and library, with some student reviews noting room for improvement in mess/hostel food quality and outdoor ground size.
